

## **PARKING**

**Make sure when picking up your child you are in a parking spot NOT in the fire zone. You cannot park behind the teachers' cars. When you enter the school parking**

lot at dismissal and in the morning, it is a **ONE WAY** next to the school and you must exit Hoym or Anderson. **You cannot turn around in the parking lot.**

## **Outdoor Apparel:**

The weather is turning colder, please be sure your child/children have appropriate jackets/sweaters. Students go outside every day. Be sure all clothing has their name on it!

## **Travel:**

If you travel out of New Jersey, you must tell the office where you are going and when you will return. We are very concerned about Covid cases and we want everyone safe. We will advise you of the CDC Guidelines that state you must quarantine and have a negative PCR test specific to your travel destination. This is for everyone's safety!

**MERRY CHRISTMAS AND HAPPY NEW YEAR TO  
YOUR FAMILY**
